How Student Loan Debt Affects Women

2023 Scholarship Announcement

We strive to be the difference that empowers students' educational dreams to be realized.

In 2023 we will award \$15,000 in scholarships for college or certificate programs of study.

Additional information and an opportunity to apply will be announced later this month.

What are we looking at in today's market?

That's a question I've been asked a number of times in recent weeks. And my answer is the same, "Let's give it a little time."

But people are quick to remind me that stocks are off to a good start in 2023, inflation appears to be trending lower, and the economy was strong in Q4. All true. But it takes more than a few good weeks and a couple of solid economic reports to inspire a new market cycle.

Beware of Check Washing Scams

Despite the digitization of money management, there is still a place in the economy for paper checks, as well as check-washing scams. Unfortunately, instances of check washing often go unnoticed until it's too late to undo the damage.
