Mixed Signals of Inflation

What to know as markets look forward.

Are you having a tough time keeping track of inflation's mixed signals? You're not alone.

Consumer prices in July climbed at their fastest rate since August 2008. Worse, producer prices, which can be an indicator of future price changes at the consumer level, rose at the highest rate since tracking began.

Hurricane Supplies Winner

Congrats to Dawn Marler, winner of our Hurricane Supplies [Facebook](#) contest! It was great to hear what supplies everyone values most when prepping for a hurricane.

Please don't forget that we're here to help with any large purchases to help ensure you & your family are protected. We have loans for generators, home improvements and more!

Due to scheduling challenges created because of COVID-19, we have made the decision to suspend Business Link meetings at this time.

CRUSHING DEBT: TURN YOUR IMPULSE PURCHASES INTO DEBT CRUSHERS

Every time you say no to an impulse buy, set aside the cash you'd have spent in a virtual or paper envelope. At the end of the month, put this money toward your biggest outstanding debt balance until you've kicked that debt!

We will be closed on
Monday, September 6th
in observance of
Labor Day.
