### Creating a Retirement Strategy

*Most people just invest for the future. You have a chance to do more.*

**Across the country, people are saving for that "someday" called retirement.** Someday, their careers will end. Someday, they may live off their savings or investments, plus social security. They know this, but many of them do not know when, or how, it will happen. What is missing is a strategy - and a good strategy might make a great difference.

### What to Buy and What to Skip in September

Get ready for savings on big-ticket items this month! Retailers are looking to bring the crowds back after the big back-to-school storm has passed, and bargain prices are always a great way to attract shoppers. Add in the Labor Day Sales that kick off the month and it means big savings during September - but not on everything. Here's what to buy and what to skip in September.
